Ready to work remotely.

SUMMARY

I have experience in a startup (7 months) as an HTML coder and JS developer (worked in the office). I had full-time development education in Mate Academy for 4 months, 2 higher educations, several years of work at sea in English within international crews, 4 years of work as a 3rd mate (it's like assistant of captain). Now I'm Software Developer working with JavaScript, Typescript, React and I open to learn other libraries and frameworks Vue / Angular / React Native.

FRONTEND SKILLS

- Typescript, JavaScript (ES2015 - 2019)
- React, Redux
- HTML5, CSS3, Sass (SCSS), BEM, Bootstrap
- Fetch, REST API, Web sockets
